Father, in the name of Jesus, thank You that the partners of the “V” are the healed and not the sick. The Word of God says that the prayer of faith will save the sick, and the Lord will raise him up so we thank you that all the partners of our church have been “raised up” and are healed in Jesus name.

The partners of the “V” are the temple of the Holy Spirit and we are all in good health. We all seek the truth of the Word that makes us free both spiritually and naturally. We are bought with a price, and we all glorify God in both our spirit and our body, which both belong to Him.

Thank You Father for sending Your Word to heal us and to deliver us from all destructions. Jesus, You bore our griefs (pains) and carried our sorrows (sickness). You were pierced through for our transgressions and crushed for our iniquities, the chastening for our wellbeing fell upon You and by Your stripes we are all healed.

We give attention to Your Word and incline our ears to Your sayings, we will not let them depart from our sight, but will keep them in the midst of our hearts, for the Word is life and health to our whole man.

The Holy Ghost Who raised up Jesus from the dead dwells in us and He (God) Who raised Jesus from the dead also dwells in us and will also give life to our mortal bodies through His Spirit Who dwells in us! We thank You that every cell, bone, gland and organ in our bodies is healed and operating in the divine perfection that You created it to operate in. We thank You that sickness and disease can't live in or on our bodies in Jesus name!

Thank You that all of the partners of the “V” prosper and are in health, even as their soul prospers. Amen!
