

## **JOB OPENING**

### **Finance/Accounting Manager**

---

#### **Job Description:**

VCCI is currently looking for a Finance/Accounting Manager to manage the accounting, payables, contributions/receivables, payroll and financial reporting activities of the church.

#### **Qualifications:**

- Must have a minimum of an associate degree in accounting, finance, business administration or a related degree from an accredited educational institution or equivalent level of experience.
- At least 5+ years accounting and/or bookkeeping experience or equivalent combination of education and experience. Practical experience in accounts payable, accounts receivable, reporting and general ledger account reconciliations.
